## 2018 National Fall Conference

The annual National Fall Conference will be held September 27 – 29, 2018, in Lexington, Kentucky. This year we are excited to offer the following:

- Health and Wellness fair on Thursday, September 27, 2018, from 1:00 – 4:00 p.m. Many local and national companies will be joining us to talk one-on-one with members.
- Patriotic Night – To kick-off the conference, on Thursday, September 27, show your patriotism by wearing your red, white, and blue! The more creative, the better.
- Be Good Sports – On Friday, September 28, we will be hosting a series of “Be Good Sports” discussions that will allow members to learn more about each other and their units. Come with an open mind and be ready to learn! All attendees are encouraged to wear their favorite sports attire.
- Hospitality Night – We will once again be hosting a hospitality night on Friday, September 28. After dinner be prepared to be entertained by a local comedian and be amazed as we wrap up the evening with a magician that is not only talented but funny!
- Fun Night – What better way to bring the conference to close than by having a night of relaxation and fun! Put on your dancing shoes as we dance the night away with a local DJ, and be prepared to sing some of your favorite songs during karaoke.

This year we will also be accepting pre-registration for those attending conference! Within a few short weeks, members will be able to access the system, register attendees, and pay. Those who pre-register will be able to bypass the registration line and pick up their conference bag and badge. Online pre-registration will require your membership number, as well as the membership number for anyone they wish to register. Watch social media (Facebook/Twitter) for registration announcement and information.

The registration cost for conference this year will be \$60.00, and will include the conference bag, booklet, flash drive, Friday evening hospitality night, and Saturday evening fun night. Those wishing to only attend the Friday evening hospitality night will be charged \$45.00.

As of the date of this publication, the conference hotel has met capacity. We are diligently working to find an overflow hotel; however, weekend events throughout Lexington are causing some difficulty in finding locations that are near the conference hotel. We will continue to update members via social media of additional hotel accommodations if they are acquired.
